

Sale Name: May Mini-Premier Gun Auction!

LOT 315 - Spencer 1860 Saddle Ring Carbine

Estimate. \$1,000-\$1,500

SN#. 42099

Description

Gun appears to have a new bbl. attached to an original receiver w/ clean tubular magazine in butt stock, gun has cartouches visible, receiver seems to have been refinished at one time, but overall a nice useable example of an iconic Civil War Carbine in very good as restored condition.
