

Sale Name: May Mini-Premier Gun Auction!

LOT 113 - Moore's Patent Single Action Belt Revolver

SN#. 6124

Description

32 Rim Fire. w/5" bbl. The bbl. & cylinder rotate to the right for loading, gun has brass frame & handle w/engraving, visible patent & cylinder markings remain. Mechanically gun is good & wood grips may have been sanded but appear original & are solid. Many of these were private purchase arms by men during the Civil War circa 1861-1863, a good example of a historically significant revolver.
