LOT 294 - Rare Swivel Breech 40 cal. O/U Perc. Rifle

Estimate. \$750-\$1,250

SN#. NSN

Description

30 1/2" round O/U bbls, both appear to have good rifled bores, greyed metal patina, walnut butt stock w/ German silver furniture, push button swivel breach. Gun shows some period repair to wood & is a little wiggly at swivel, but overall a nice example of a Swivel Breech O/U.
